PH: (717) 767-2444 | E: info@yorkbuilders.com | W: YorkBuilders.com

The Pennsylvania Builders Association supports building industry professionals in delivering quality living environments.

The state association is the unified voice for the home building industry and the housing consumer. PBA serves the industry with proactive leadership on state regulatory and legislative issues. The services it offers to 38 local associations enhance the professionalism of members.

Pennsylvania communities and consumers benefit from PBA's efforts to protect homeownership rights and advocate for affordable housing options.

Features Include:

- Advocacy and lobbying,
- Access to expert resources,
- Sample contracts,
- Insurance programs and consulting,
- Education and training, and
- Increased consumer recognition.

How it Works: When you join your local home builders association, you automatically become a member at the state and national levels.

Some of the Money-saving Benefits:

- PA One Call (811) annual savings of \$125
- Email marketing discount through Constant Contact
- Discounted courses from Home Builders University

NATIONAL ASSOCIATION

National Association of Home Builders
Nahb.org

The NAHB serves affiliated state and local builders associations. Members create jobs for millions of people and contribute significantly to the economic activity of their communities, the nation, and the world.

NAHB exists to serve its members.

The NAHB fights for housing on major policy issues, provides educational programming, and creates networking opportunities.

Proof of its success is in the numbers. Recent NAHB action on the legislative and regulatory-related fronts (resolving numerous issues affecting home builders) saved members an estimated \$5,707 per housing start. in 2016.

Saving **\$5,707**
per housing start.

Features:

- Advocacy and lobbying efforts
- Legal support
- Research and analysis
- Home Builders Institute
- Member Advantage Discount
